**Tony Davis**

Come and hear Tony Davis, Owner and President of Arey's Pond Boatyard, tell the story of the one-of-a-kind 1944 US Coast Guard Life Saving Surfboat, restored at the Cape Cod Maritime Museum. Designed and Perfected by Cape Cod surfmen, this boat is one of only four Curtis Bay Shipyard-built surfboats in the world, and the only one to be seaworthy!"

The Surfboat was presented at the 34th Annual WoodenBoat Show, Mystic, CT in June, 2025, and was recognized as the ***2025 Concours d'Élegance: Owner Restored Winner***
